THE LATEST INSIGHTS IN INVESTIGATION, FORENSICS AND THE LAW

JOIN US FOR A DAY WITH **LEADERS** IN THE **INDUSTRY**

Wednesday, November 21, 2018

Above E11even, Meeting Room

15 York Street | Toronto, ON

12:00 pm to 4:30 pm

Lunch will be served and please join us for cocktails after the seminar.

The room is located across from the 2nd floor entrance to real sports at the top of the escalator

**YOU'RE INVITED!!**

Please note that this is an "invitation only" FREE event. Should you wish to bring others from your company, we would be pleased to add them to our list.

WHY ATTEND?

To enhance your understanding of where we are today in this ever-evolving field. Gain insights into what is available to you, how it is developed and the legal impact.

WHO SHOULD ATTEND?

Insurance adjusters and Managers who use Social Media and Internet Investigations as part of their claims background. Adjusters handling Cyber Risk/Cyber Crime matters. Professionals who want to enhance their ability to access digital DNA.

**Kadey BJ Schultz, LL.B, LL.M**

[www.schultzfrost.com](http://www.schultzfrost.com)

[kschultz@schultzfrost.com](mailto:kschultz@schultzfrost.com)

Kadey is a recognized expert in the field of motor vehicle litigation in Ontario and acts as anti-fraud counsel for various insurers, defending and prosecuting against opportunistic and organized auto, property, life and health fraud. She is a strategic partner with many self-insured programs, designing and enforcing prevention and mitigation systems, in addition to handling policy design, coverage and defence matters. Kadey is a frequent industry contributor and educator. She is a partner in Schultz Frost LLP

**Keith Elliott**

[www.reedresearch.com](http://www.reedresearch.com)

[keith.elliott@reedresearch.com](mailto:keith.elliott@reedresearch.com)

Keith Elliott is a partner and the Vice-President, Operations and Business Development with Reed Research Investigations Limited. He holds an Honours Degree in Law & Security Administration, and additional diplomas in Private Investigations, Advanced Interview Techniques, Close Protective Services. In addition to overseeing the daily operations and company's development, Keith is the primary point of contact for many clients. He is regularly asked to provide in-house training and operational protocol to various insurance company staff on the function and use of investigations, surveillance and cyber intelligence for various purposes, as the head of Reed's Cyber Intelligence Unit. Keith is an in-demand, entertaining and energetic speaker.
